

A Note Regarding COVID-19 and Events

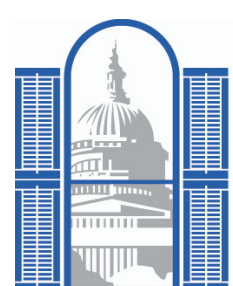

In accordance with the guidelines set out by the District of Columbia, Florida House is now accepting bookings for private events for groups of up to 10. We are following all of their rules, and taking a page out of one of our favorite Florida companies, Walt Disney World, when setting our own guidelines. Please take a moment to review and understand these rules, and feel free to reach out with any questions.

- The total group size may not exceed 10 people total, even if the group is split over multiple levels.
- Renters must communicate to attendees that they must stay home if they are feeling unwell or have recently been exposed to COVID-19.
- Masks are required at all times, unless an attendee is eating or drinking while stationary and socially distanced from others not in his or her household.
 - Florida House has a limited supply of disposable masks available for attendees who do not bring their own.
- Renters should encourage attendees to maintain social distance (6ft) from attendees not in their household.

Additionally, renters can expect enhanced safety measures from the Florida House staff.

- The entire house will be cleaned according to CDC standards on a regular basis, including before and after events.
- During events, a staff member will be cleaning high-touch surfaces regularly.
- A staff member will be onsite to assist with traffic flow, including ensuring that the stairways remain one-way at a time.
- Staff members are required to self-monitor for COVID-19 symptoms, and receive temperature checks on a daily basis. No staff member is allowed to enter the facility with symptoms or a fever.

Any questions? Please let us know at events@floridahousedc.org
